## **Weyauwega Elementary PTA**

*Dear Weyauwega Elementary School Families! As many of you know, the Weyauwega Parent Teacher Association (PTA) exists, in part, to provide funding to the teachers and students for things such as field trips, playground equipment and more. In the past we have raised money through various fundraisers such as Club's Choice sales, apparel sales and the wonderful Spring plant sale. This year we decided to eliminate the Club's Choice fundraiser and instead offer the children a chance to do something fun for Halloween!*

On Thursday, October 31st at 1:00 we will be having a Spook-A- Thon!!! Children will still parade in their costumes but this year they will parade outside around the track. Spooky (but not too spooky!) music will play over the loudspeakers, high school clubs will join in the fun (and help keep an eye on the goblins) and the students will raise money in the form of flat donations for walking.

Of course, families are welcome to watch from the stands or outside the fence to capture great photos. Students will then travel back to their classrooms for their end of the day festivities. (Remember, no parents will be allowed to collect their ghosties until 3:00 and must remain outside the building.) Enclosed is the pledge form to help us out. Simply call neighbors and grandparents, aunts and uncles, cousins and friends and see if they are willing to sponsor your student for the spook-A- Thon. *However far they travel, however many times they make it around the track, it's all good.* Things to keep in mind: -costumes should be weather appropriate in case it's cold. If it rains, we will use the high school gym. -All the same rules apply with regard to make-up, hair coloring, etc. -Children should be able to walk freely in their costumes.

Please ask your student's teacher or see the school newsletter later this month if you have costume questions.

Most of all, thank you for partnering with us to make our school a fantastic place to learn and grow!
