Hello Weyauwega-Fremont parents!

Our schools are creating [online art portfolios](#) on **Artsonia.com**. Artsonia manages student art portfolios in a safe and educational manner, developing students' pride and self-esteem and involving parents and relatives in arts education.

**You will be receiving an email** sometime this week from Artsonia giving you your child's unique username and password as well as asking you to [grant permission](#). Once you've logged in and granted permission, you can also add relatives to your student's portal through email so they can also see all the amazing work your child is creating!

A neat feature of this site will also allow me to keep your students' artwork in their online portfolio throughout their time here at Weyauwega-Fremont School District. Meaning as your child grows in artistic ability, you can look fondly back at the artwork they have created in the past! In addition to this, family and friends can order your child's artwork on lots of fun items such as t-shirts, mugs, blankets, postcards, sketchbook covers, etc. They make for great gifts and keepsakes while helping fund your child's art education! You can also upload your own photos of artwork and crafts made at home if you would like to order it on an item as a gift!

If you have any questions regarding artsonia, or want more information about how it works and what to expect, please email me, Miss Ariel, at [abaker@wfsd.k12.wi.us](mailto:abaker@wfsd.k12.wi.us).
